Comments you would like to share with the court (agency or worker):

As a result of your Municipal Court disposition you have been sentenced to perform community service or community service has been approved by the court in lieu of paying a fine and/or court costs. **This sheet must be filled out and returned to the Boulder Municipal Court by your court-ordered due date, P.O. Box 8015, Boulder, CO 80306 to receive credit for your work.**

If you have any questions about completing your community service, contact your Case Manager, **Pam Aubry at (303) 441-1860.**

The community service hours you perform must be done to fulfill this court obligation (for example, you cannot use hours which you had to do for a class practicum, a fraternal obligation, or another court order). You may not perform your hours for a political or religious organization.

I understand that I must do my community service hours from an agency on this list. Furthermore, I understand that if I do not complete my community service from agency on this list, I will be required to do the community service again.

It is your responsibility to contact the agency to schedule your work days/hours. Contact the agency as soon as possible so that required hours can be scheduled for completion before your court-ordered due date. It is recommended that you bring identification with you.
